

## Introducing

# mymeter

**A**s a customer of Waupun Utilities, you can easily and quickly monitor your energy and water usage with MyMeter. This new tool from Waupun Utilities provides you with secure online access to the data from your electric and water meters to help you compare and manage your usage, spot trends, and even receive utility-related alerts and set up individualized challenges. It's your energy, make the most of it.

### Data and alerts wherever you are

Meter data is accessible across all of your devices and the mobile alert system keeps you up-to-date even when you're out of town.

### Track and compare your usage

Track your usage against local weather conditions and see how it compares to previous months and years.

### Customizable markers

Create custom markers to track important events and monitor associated changes with your energy usage.

### Energy challenges

Set energy savings goals and track your progress over time.

### Get Started today!

Manage your energy use and pay your bill online at:

[www.waupunutilities.com](http://www.waupunutilities.com)

### How to Get Started with MyMeter

Setting up a MyMeter account is quick and easy. Follow the steps below and you will be ready to take control of managing your energy and water use. To see a complete user guide, visit [waupunutilities.com](http://waupunutilities.com).

### Create Your Account

Go to [mymeter.waupunutilities.com](http://mymeter.waupunutilities.com) and select "create an account". Be sure to use your correct account number and account name as they appear on your monthly utility bill.

After the simple account set up, you will be ready to view and manage your usage data.

### Never Write Another Check?

Waupun Utilities offers an automatic payment option, a simple way to have your utility bill automatically deducted from your checking or savings account each month.

Benefits include saving time, saving postage, and payment made in a convenient and timely manner even if you are on vacation or out of town.

Once you are signed up, you'll receive your billing statement at the usual time. Payment is typically withdrawn the 10th of each month.

To sign up for our automatic payment option, go to our website to print the authorization form, complete and return the form to our office. Or, give our office a call, at 920-324-7920, and we will mail you the application.

Please sign up today, and join our nearly 630 customers that are already enjoying our local, convenient auto-pay option.

**Waupun's 2015 Water Quality** report is now available on our web site at [www.waupunutilities.com](http://www.waupunutilities.com).

Federal and State laws require Waupun Utilities to routinely monitor for contaminants in your drinking water. We are proud to report that our system had no water quality violations. The Environmental Protection Agency has determined your water is safe per their reported test results.

The report will not be mailed to each customer; a copy of the report can be requested by contacting the utility office at 920-324-7920.

# OPERATIONS UPDATE

## 2016 West Main Street Project In Full Swing

The majority of Waupun residents are affected by the construction on Waupun's West Main Street. Traffic flow and reroutes impact the drive to destinations throughout the city.

Water and sewer main infrastructure is installed from State Street to Beaver Dam Street. Water and sewer laterals are being connected to the new pipes in place.

The construction from the Beaver Dam/Main Street intersection to Fox

Lake Road is expected to be completed by the end of June. The final leg of the construction will be from Fox Lake Rd to County Park Road.

## Electric Crew Update

The electric department is focusing on an electric overhead reconstruction in the area of Maxon, Morse and Cochrane Streets, from Doty Street to East Lincoln Street.

The project is being done to replace and upgrade aging electric infrastructure in the area.

## Dehumidifier Exchange

Thanks for the excellent response to our new program! We have collected 41 older dehumidifiers so far and still have some program funds left.

If you are interested in participating, visit our website or call our office for more information.
